## About Me

---

I am 17 years old I go to North Salinas High School in Salinas, California. Sports occupy a significant part of my life, whether it's cheering for my favorite teams or actively playing in a sport. Alongside my passion for sports, the world of art captivates me. Drawing, painting, and coloring are not just activities; they are avenues for self-expression and a journey into the realms of creativity. The outdoors hold a special place for me, providing a refreshing escape where I can relax. In essence, my love for sports, art, coloring, painting, drawing, and the outdoors collectively shapes a rich tapestry of interests that define who I am.
